Program for the 2021-2022 school year.

Signed: _____ (Principal)

Date: _____

Alabama PALS (People Against a Littered State) is proud to offer the Alabama Clean Campus Program. The Clean Campus Program is available to all Alabama school systems, as well as Alabama colleges and universities.

The Clean Campus Program is designed to promote a cleaner and healthier environment for all Alabama campuses and presents an opportunity for students and faculty members to be a part of having their respective schools recognized for their efforts.

Alabama PALS looks forward to having the opportunity to work with your school in this effort as we work together to make Alabama a cleaner and more beautiful state for future generations.

Other programs offered through Alabama PALS include:

Adopt-A-Mile Program, Adopt-An-Area Program, Adopt-A-Stream Program, Annual "Don't Drop it on Alabama" Spring Cleanup, The Annual Governor's Awards Program, The Bi-Annual Litter Law Enforcement Conference, Statewide Chapter Network, & Alabama Coastal Cleanup.

For more information visit our website at www.alpals.org or call 1-800-ALA-PALS.

Recommendations and Guidelines for Participation in the Alabama PALS Clean Campus Program:

- Determine who will manage the program at the school (I.e. faculty member, existing club, specific grade level, etc.) and have them create goals and a plan for the program. You may even want to create a Clean Campus Committee comprised of students, parents and faculty members that meets 2-3 times a semester to evaluate the progress of the program.
- Hold regular campus wide cleanups.
- Participate in ongoing recycling if available in your county.
- Schedule the Clean Campus Coordinator to visit your school or zoom with your students for a 30-minute presentation. She can also help with organizing and kickstarting the program if needed.
- Introduce Environmental Education Program at school. Reference our online litter curriculum for classroom activity ideas.
- Encourage participation in the K-5th Poster Contest and the 6th-12th Recycled Art Contest in the spring and the Clean Campus Scrapbook Competition in the fall.
- If possible, participate in your local “Don’t Drop it on Alabama” Spring Cleanup in April to help cleanup and prevent litter in your community.
- Get creative with campus beautification projects such as planting flowers, creating recycled art or hanging birdhouses on campus. We can help with outdoor classroom ideas, as well!
- Obtain permission from school Principal to participate in program.

The Clean Campus Program is intended to be customized for what works best for your school. You may decide to keep it simple or “go the extra mile” with your program. We are happy to have your school involved either way! Let us know if we can help you as you get started!

ALABAMA PALS WILL PROVIDE:

- NEW Clean Campus handout items for teachers and students
- Access to Clean Campus Coordinator for school presentations, answering questions and kickstarting your program.
- Access to brand new Clean Campus video if unable to schedule an in-person visit.
- Trash Bags for Cleanups
- Certificates for Schools
- Membership Window Decal
- Access to Online Curriculum & Helpful Links
- PALS Newsletter (which contains all awards information, guidelines and applications)

CLEAN CAMPUS PROGRAM

Target Group:

All Alabama students K-12. All city, county and private schools.

Purpose of Clean Campus Program:

To implement litter education and involvement in community and campus cleanup efforts. To be used as a “springboard” for implementing litter education into Alabama school systems.

Applying for Program:

Schools must apply each year, even if your school has been a member in previous years.

You may apply online at www.alpals.org (click the Clean Campus tab for info)

or by returning the attached application form by mail.

Dates for Program:

August-May

Recognition for Participating Schools:

Each participating school will qualify to nominate themselves for the State Clean Campus Award to be presented at the Governor’s Awards program in November. *The FIRST place school will receive a \$1,000 scholarship, 2nd place a \$750 scholarship, and 3rd place a \$500 scholarship.* In addition to the scholarship money, the State Winner will be presented signs to be displayed at their campus proclaiming the respective school as Alabama’s Clean Campus Winner.
