Show your support and concern for Alabama's waterways by participating in the 29th Annual Alabama Coastal Cleanup scheduled for **Saturday, September 17, 2016 from 8:00 a.m. until noon**. You or your organization can make a difference by volunteering to clean up our cherished coastal area. The Alabama Coastal Cleanup engages local citizens to remove trash and debris and to change the behaviors that cause pollution. In a continuing effort to clean up the coast, over **83,328 volunteers** have removed **780 tons of trash** from Alabama's valued coastline and waterways over the past twenty-eight years. Join us this year as we continue to make Alabama the Beautiful! On the day of the event, come prepared with sunscreen, a hat, gloves, shoes and lots of water. It gets HOT!

For more information about how to volunteer, please visit www.AlabamaCoastalCleanup.com

WITH YOUR HELP, WE CAN MAKE THE 2016 ALABAMA COASTAL CLEANUP EVEN BETTER!

CoastWeeks 2016

Coastweeks is celebrated across the country each fall beginning on the third Saturday of September with the kickoff of Coastal Cleanup. Created as an educational tool, Coastweeks helps focus attention on the value of coastal natural resources through fostering awareness, understanding, and improved management of the coast. Once again, in support of National Coastweeks, agencies, non-profit organizations and volunteers are teaming up to host fun and educational activities that encourage marine and water conservation.
