

SUGGESTED LITTER EDUCATION ACTIVITIES

1. Participate in the PALS "Don't Drop it on Alabama" Annual Spring Cleanup.
2. Have regular cleanups on your campus.
3. Participate in the PALS Clean Campus Poster and Recycled Art Competitions.
4. Schedule an on-campus visit with Jamie Mitchell, Clean Campus Coordinator.
5. Make litter bags and litterbug masks from paper sacks.
6. Make a collage from items found in the trash at home (can, pop-top tabs, egg cartons, foil, paper, plastics, etc.)
7. Make an ecology and/or pollution bulletin board.
8. Write and present TV commercials about litter.
9. Organize a school campus clean-up day.
10. Make posters to hang at school as reminders to not litter and to recycle.
11. Make a puppet show about litter.
12. Have a recycled art sale at school to pay for school improvements such as flower beds or birdhouses.
13. Create an outdoor classroom.
14. Make recycled bookmarks from cereal and snack boxes to donate to the local library.
15. Decorate grocery bags for a local grocery store during Earth Day week.
16. Decorate recycled frames to be donated to local restaurants with anti-litter messages in them.
17. Decorate a can to use as a pencil/marker holder
18. Make compost.
19. Go on a litter scavenger hunt. Litter groups might be (1) people-made litter which is made from trees...mineral/oil....mineral rocks; (2) litter which is recyclable; (3) litter which is biodegradable.
20. Create a trash sculpture giving the sculpture a creative, environmental name.
21. Adopt an area on campus or in town to be responsible for litter control in that area.
